NOTE. The above calendar for the year 5604, commencing September 25<sup>th</sup>, 1843, and ending September 14<sup>th</sup>, 1844, has been communicated to us by Mr. Jacob Ezekiel, of Richmond. It is calculated for the Minhag Sephardim, but a slight alteration will make it equally well suited for the German Jews. The time of commencing the Sabbath is for the latitudes of New York, Philadelphia, Baltimore and Richmond; places farther south or north require some little modification, which can be ascertained by commencing the Sabbath always about three quarters of an hour before sunset.
